

Key Evaluation and Measurement Issues (G7)

Considerations for Making Changes to SiMR Baseline and Targets

Discussion Activity

Directions:

- Break out into small groups.
- Please write in your answers to the questions below.
- We will share back responses with the entire group.

Are you with: Part C_____ Part B_____ Part B 619_____

- What is your State's SiMR?
- Do you have data quality concerns with the data for your State's SiMR?
 - If so, what are those concerns?
- Do you have strategies listed in your SSIP for addressing data quality concerns for your State's SiMR?
 - If so, what are those strategies?
- Do you anticipate proposing to OSEP a change to your State's SiMR baseline or targets?
- If so, for what reason(s)?
- Other than data quality, what do you think are considerations for changing a State's baseline or targets? Please list other considerations.
