

For FFY 2020 SPP/APR, What Data Will States Report?

The FFY 2020 SPP/APR is the first year of the new SPP/APR package the U.S. Department of Education, Office of Special Education Programs (OSEP) recently released. The SPP/APR is a report of a state’s progress toward meeting state targets on the IDEA indicators.

States report data for the reporting year or, for some indicators, data from the year before the reporting year. OSEP has defined and determined which year states should report.
